Dear Patient:

We care about you:

We wish you and your family health and wellness as those across the world and here at home do their part to combat the spread of COVID-19.

Please stay safe:

For your safety and the safety of our associates, our offices will be rescheduling all elective procedures in the month of May to a date after May 15th, 2020, which is subject to change based on ADA, CDC and IDPH guidance.

If your appointment needs to be rescheduled, an associate from our office will be reaching out to you within the next few days.

Urgent dental needs:

Our offices will continue to see patients who have urgent dental needs during the month of May. If you have an urgent dental need, please call the number above. We currently have limited staff and office hours so please leave a message if you cannot reach one of our staff members and we will get back to you ASAP.

We're here for you:

Please don't hesitate to contact us with questions or concerns. Thank you for your continued patience as we work to respond as quickly as possible to your call and messages.

Thank you,

Aurora Dentrrix Team
